Anvils ignite  
Once again  
I watch them dance  
Around the plain

Sparks start to fly  
I can't speak  
From seeing answers  
That I seek

Shapes start to form  
As I stare  
The shadows taunt  
As if to dare

Ghostly embrace  
Takes my heart  
Now I surrender  
And it starts

[Chorus:]  
Visions in the night  
Show me what is right  
Help me  
Through the maze  
Of mystery  
I would sell my soul  
If only I could know  
What the future holds  
And what will be  
Slowly my hand  
(My hand)  
Turns the page  
(The page)  
It never ceases  
To amaze

Fill me with hope  
(With hope)  
If you can  
(Fill me with hope)  
I will become

A better man

(Chorus)

Visions come  
Into my mind  
Foretell the future  
Of mankind

Only time will prove  
That I'm right  
Will my words come true  
(Will my words come true)  
I can't deny  
The gift of foresight  
(I can't deny)  
There's nothing  
I can do

(Chorus 2x)
