One life I'm gonna live it up  
I'm takin' flight I said I'll never get enough.  
Stand tall I'm young and kinda proud  
I'm on the top as long as the music's loud.

If you think I'll sit around as the world goes by  
You're thinkin' like a fool 'cause it's a case of do or die.  
Out there is a fortune waitin' to be had  
If you think I'll let it go you're mad  
You've got another think comin'.

That's right here's where the talkin' ends  
Well listen this night there'll be some action spent.  
Drive hard I'm callin' all the shots  
I got an ace card comin' down on the rocks.

If you think I'll sit around while you chip away my brain  
Listen I ain't foolin' and you'd better think again.  
Out there is a fortune waitin' to be had  
If you think I'll let it go you're mad  
You've got another think comin'.  
You've got another think comin'.

In this world we're livin' in we have our share of sorrow  
Answer now is don't give in, aim for a new tomorrow.

Oh so hot no time to take a rest yeah  
Hang tough, ain't room for second best.  
Real strong got me some security  
Hey I'm a big smash I'm goin' for infinity yeah.

If you think I'll sit around as the world goes by  
You're thinkin' like a fool 'cause it's a case of do or die.  
Out there is a fortune waitin' to be had  
If you think I'll let it go you're mad  
You've got another think comin'.
