One life I'm gonna live it up  
I'm takin' flight I said I'll never get enough  
Stand tall, I'm young and kinda proud  
I'm on top as long as the music's loud

If you think I'll sit around as the world goes by  
You're thinkin' like a fool 'cause it's a case of do or die  
Out there is a fortune waitin' to be had  
You think I'll let it go, you're mad  
You've got another thing comin'

That's right, here's where the talkin' ends  
Well, listen, this night there'll be some action spent  
Drive hard, I'm callin' all the shots  
I got an ace card comin' down on the rocks

If you think I'll sit around while you chip away my brain  
Listen, I ain't foolin' and you'd better think again  
Out there is a fortune waitin' to be had  
You think I'll let it go, you're mad  
You got another thing comin'

In this world we're livin' in, we have our share of sorrow  
Answer now is don't give in, aim for a new tomorrow

Oh, so hot, no time to take a rest, yeah  
Act tough, ain't room for second best  
Real strong got me some security  
Hey, I'm a big smash, I'm goin' for infinity, yeah

If you think I'll sit around as the world goes by  
You're thinkin' like a fool 'cause it's a case of do or die  
Out there is a fortune waitin' to be had  
You think I'll let it go, you're mad  
You've got another thing comin'
