Got a wishbone in my pocket, money to burn
I ain't got no worries, ain't got no concern
The feelin's going through me from my fingers to my
toes
'Cause my baby loves me and he lets everybody know

A little bit of love
Goes a long, long way
A little bit of love
Gets you through the day
A little bit of love
Makes you feel alright
Get you through the night

My heart's so busy jumping that it skips a beat
Got me running round in circles, dancing in the street
Now you might think I'm crazy, I don't care
I'm a girl about the town, and I'm walking on air

A little bit of love
Goes a long, long way
A little bit of love
Gets you through the day
A little bit of love
Makes you feel alright
Get you through the night

You've got me shaking down to my knees
Baby don't you stop, I'm begging please, please,
please

A little bit of love
Goes a long, long way
A little bit of love
Gets you through the day
A little bit of love
Makes you feel alright
Get you through the night
