To see him walking by  
He might not catch your eye - here's why  
Not quite heaven-sent  
Kinda Clark Kent - yeah, that's it  
He's got the profile of an average Joe  
But wicked on the weekend  
When he's on a roll

He rocks, he kicks  
Born for a good time  
And he don't miss a lick  
He can talk it, he can walk it  
He can throw down with the best  
Gets you thinking things  
That you never would confess  
Send your mama into shock  
He rocks

He's got all the moves  
Showed me one or two  
He'll take you 'cross the floor  
Charm you to the core, for sure  
Throwing on some makeup  
Kinkin' up my hair  
Come on taxi driver  
You gotta get me there

He rocks, he kicks  
Born for a good time  
And he don't miss a lick  
He can talk it, he can walk it  
He can throw down with the best  
Gets you thinking things  
That you never would confess  
Send your mama into shock  
He rocks

He rocks, he kicks  
Born for a good time  
And he don't miss a lick

He can talk it, he can walk it  
He can throw down with the best  
Gets you thinking things  
That you never would confess  
Send your mama into shock  
He rocks
