O come, O come, Emmanuel  
And ransom captive Israel  
That mourns in lonely exile here  
Until the Son of God appear  
Rejoice! Rejoice! Emmanuel  
Shall come to thee, O Israel

O come, O come, Emmanuel  
And ransom captive Israel  
That mourns in lonely exile here  
Until the Son of God appear  
Rejoice! Rejoice! Emmanuel  
Shall come to thee, O Israel  
(instrumental)

O come, Thou Key of David, come  
And open wide our heavenly home  
Make safe the way that leads on high  
And close the path to misery  
Rejoice! Rejoice! Emmanuel  
Shall come to thee, O Israel

Shall come to thee, O Israel
