(J.R. Cobb/Buddy Buie)

When you hit rock bottom  
You've got two ways to go  
Straight up and sideways  
I have seen my share of hard times  
And I'm letting you know  
Straight up is my way

Things are tough all over  
But I've got good news  
When you get down to nothing  
You've got nothing to lose  
I was born naked  
But I'm glory bound  
And a dead end street is just a place to turn around

When the sky is the limit up on easy street  
Rock bottom ain't no place to be  
Rock bottom ain't no place for me no no  
When the law of the jungle is the law of the land  
Good luck staying alive  
I keep a clenched fist under this hat in my hand  
Cause only the strong survive

Things are tough all over  
But I've got good news  
When you get down to nothing  
You've got nothing to lose  
Anyway rock bottom is good solid ground  
And a dead end street is just a place to turn around

When the sky is the limit up on easy street  
Rock bottom ain't no place to be  
Rock bottom ain't no place for me no no
