Lyrics by Karla Bonoff

Ev'rywhere I look the sun is shining
But it's always raining here inside
I can see, you really had a hold on me
It's a mean old love with a flame that never dies
Won't you tell me why
I can't say goodbye
Everywhere I go your in my shadow
When I turn around there's no one there
And it's a real bad sign
I'm walking on a real thin line
A fool in love with a fool that never cared
Won't you tell me why
I can't say goodbye

Won't you tell me why
Ask anyone you know
And they'll say love fades away
But this hearts cryin' just like yesterday
And it's a real bad sign
I'm walking on a real thin line
A fool in love with a fool that never cared
Won't you tell me why
I can't say goodbye
Won't you tell me why
I can't say goodbye
