Sleigh bells ring, are you listening  
In the lane, now is glistening  
A beautiful sight  
We're happy tonight  
Walking in a winter wonderland

Gone away is the bluebird  
Here to stay is a new bird  
He sings a love song  
As we go along  
Walking in a winter wonderland

In the meadow we can build a snowman  
Then pretend that he is Parson Brown  
He'll say are you married  
We'll say no man  
But you can do the job  
While you're in town

Later on, we'll conspire  
As we dream by the fire  
To face unafraid  
The plans that we made  
Walking in a winter wonderland

Over the ground lies a mantel of white  
A heaven of diamonds shine down through the night  
Who hearts are thrilling in spite of the chilling weather

Love knows no season, love know no clime  
Romance can blossom any old time  
Here in the open we're walkin' and hopin'  
Together, together, together, together

Sleigh bells ring, are you listening  
In the lane, now is glistening  
A beautiful sight  
We're happy tonight  
Walking in a winter wonderland

Gone away is the bluebird  
Here to stay is a new bird

He sings a love song  
As we go along  
Walking in a winter wonderland

In the meadow we can build a snowman  
And pretend that he's a circus clown  
We'll have lots of fun with mister snowman  
Until the other kiddies knock him down

When it snows, ain't it thrilling  
Though your nose get a chilling  
We'll frolic and play, the Eskimo way  
Walking in a winter wonderland  
Walking in a winter wonderland  
Walking in a winter wonderland

Sleigh bells ring are you listening  
In the lane, snow is glistening
