If you don't
Believe what I say
You won't believe
I'm not that way

And I never meant
To turn the hurt around
I would be a fool to
Lose the love I'd found

And if you take me back
I'll let you know

[CHORUS]
I'll be stronger than before
I will love you even more
Oh, I'll take you back
If you come back
I'll take you anywhere
You ever want to be
You're the light inside of me
Oh, I'll take you back
If you come back to me

And if you heard
The whole thing before
Then once again
I'll tell you more

I would be a fool
To ever let you go
Oh, I had to go away
To finally know

How much I need you back
I need your love

[Repeat CHORUS 2x]

If you come back
Come back to me
Come back and

[Repeat CHORUS]

If you come back
Come back to me
Come back and

[Repeat CHORUS]
