(Chorus)

Oooh - I'm missin' you  
I've got those bye-bye, bye-bye baby blues  
Oooh- Ain't much to do  
Just sing those bye-bye, bye-bye baby blues

Havin' the blues, hatin' to loose  
Guess I got a lot to learn  
All of my friends have lost now and then  
I guess it's just my turn

(Repeat Chorus)

Tell me the first, hurt you the worst  
And time is your best friend  
But when you're this sad and hurtin' this bad  
How do you love again?

(Repeat Chorus)

Bye-bye, bye-bye baby blues
