Ooh, hoohoo, ooh, hoohoo
You said I could call on you
If I was ever lonely
You swore you'de always be my friend
And now my heart is tired
And oh my soul is hungry
I need to talk to you again
(Chorus)
Ooh, hoohoo, ooh, hoohoo, ooh
I can hear love callin' in the wind
Ooh, hoohoo, ooh, hoohoo
Open up my heart and let it in
Love's callin' in the wind
You said I may not see you
Standing there beside me
But you would be there just the same
Your hand upon my shoulder
Always there to guide me
All I had to do was call your name
(Repeat Chorus)
If I ever need to talk to you
If I ever need to talk to you
If I ever need to talk to you again
If I need to get a message through
All I ever really have to do
All I ever have to do is call your name
I can hear love callin' in the wind
Ooooooh, ooooooh, ooooooh
Open up your heart and let it in
Love's callin' in the wind
Ooh, hoohoo, ooh, hoohoo
