I laid a red rose  
On your front porch  
Wrote I love you  
On a note  
I rang the door bell  
And turned to go  
Baby when the curtains moved  
I couldn't believe the view

(Chorus)

I saw the light in your window tonight  
I saw two shadows holding each other tight  
I know the truth when I look in your eyes  
I saw the light in your window tonight

So take your cheating hands  
Off my red dress  
Cause I ain't wearin'  
This thing for you  
I see you clearly now  
And your lies too  
They say that love is blind  
Baby not this time

(Repeat chorus)

Why baby why, should I listen to you?  
I cried, baby, cried, now I'm walking out the door

They say that love is blind, baby, not this time

(Repeat chorus)
