Mama, I found someone
Like you said would come along
He's a sight, so unlike
Any man I've known
I was afraid to let him in
'Cause I'm not the trustin' kind
But now I'm convinced
That he's heaven sent
And must be out of his mind

(Chorus)

Mama, he's crazy
Crazy over me
And in my life is where he says
He always wants to be
I've never been so in love
He beats all I've ever seen
Mama, he's crazy
He's crazy over me

And, Mama, you've always said,
"Better look before you leap!"
Maybe so, but here I go
Lettin' my heart lead me
He thinks I hung the moon and stars
I think he's a livin' dream
Well, there are men
But ones like him
Are few and far between

(Repeat Chorus)
