You sheltered me from harm
You kept me warm, you kept me warm
You gave my life to me
You set me free, you set me free

The finest years I ever knew
Were all the ones I spent with you

I would give anything I own
Give up my life and my heart, my home
I would give everything I own
Just to have you back again

You taught me how to love
And what it's of, what it's of
You never said too much but still you showed the way
So I knew from watching you

Nobody else can ever know
The part of me that can't let go

And I would give anything I own
I give up my life and my heart, my home
I would give everything I own
Just to have you back again
Just to touch you once again

Is there someone you know
You're loving them so
But taking them all for granted

You may lose them one day
Someone takes them away
And they'll never hear the words you have to say

And I would give anything I own
I give up my life and my heart, my home
I would give everything I own
Just to have you back again

Everything I own
My life, my heart, my home

I'd give everything I own
My life, my heart, my home

Every little thing
Every little thing
Every little, every little thing you ever wanted

Every little thing
Every little thing
Every little, every little thing you ever wanted

Every little thing
Every little thing
[Incomprehensible]

[Incomprehensible] back again
Just to hold you
