She eyes me like a pisces when I am weak  
I've been locked inside your heart-shaped box for a  
week  
I was drawn into your magnet tar pit trap  
I wish I could eat your cancer when you turn back

Hey  
Wait  
I've got a new complaint  
Forever in debt to your priceless advice  
Hate  
Haight  
I've got a new complaint  
Forever in debt to your priceless advice

Hey  
Wait  
I've got a new complaint  
Forever in debt to your priceless advice

Meat-eating orchids forgive no one just yet  
Cut myself angel's hair and baby's breath  
Broken hymen of your highness I'm left black  
Throw down your umbilical noose so I can climb right  
back
