You're picture was in the news  
A piece of paper my friends have burned but it refused  
And though you wore a smile  
The muscles that you flexed too much looked tired  
after a while  
And you always forced your style

I wrote you love notes  
I pulled you from fights  
I even dug moats  
So I could swim at night  
To my homerun hilary.

I had my time to brood  
But never had the courage I was never in the mood  
But when you jumped from the car  
I fell from love with you and knew I'd leave you where  
you are  
Where you'll always be a star

With a black eye  
And a white hat  
You're such a good guy

With a baseball bat  
It's my homerun hilary  
My homerun hilary

Well I'd only just begun  
To live again and be my own best friend and now you  
come  
A vampire must be fed  
But uh-oh I'm unwilling to be bled

It took a fast pitch  
On the inside  
And like a white witch  
On a mercy ride  
It's my homerun hilary

My homerun hilary  
Swing for the sky

Homerun hilary
