Lyrics and music by jude christodal

Red room
Bedroom
Clean sheets
Dark night
Star light
Heat...
First kiss
Near-miss
Holding breath
Her tongue
So young
Dead

I know this is wrong
I have been silent for too long
I know this is wrong
I have been silent for too long

Mommy
Sorry
Had no choice
Daddy
At me
Hear my voice

And I know this wrong
I have been silent for too long
I know this is wrong
I have been silent for too long

Love has so many faces
I don't know what they all mean
They take me many places
But not all of them are clean

Day now
I vow
Never more
I will
Kill

This is war
This is war
This is war

And I know this wrong
I have been silent for too long
I know this is wrong
I have been silent for too long
