You were my eyes when I couldn't see  
You were my air when I couldn't breathe  
I think you always knew what you meant to me

You were my strength when I was down  
And you made me humble when I wouldn't bow  
I held onto your promise that you'd be around

Where were you when I was alright  
Still needed you though I was alright  
You left me thinking id be alrightâ€¦wont you come  
back to me

It's crazy but I'm falling apart  
It's crazy how you're leaving me scared  
It's crazy girl wherever you are, you stole my heart  
It's crazy but I'm going insane, feeling lost confused  
and ashamed  
It's crazy hope your feeling my pain, you stole my heart

Stolen-just like a moment  
Stolen-you never own it  
Stolen-baby girl you took away my heart

I was very lost in my own world  
Neglecting your needs and your wants girl  
If only we could try again once more  
It was the same sad story that we all know  
how lovers make mistakes and watch it all blow  
I don't want to be the one to let it all go

Chorus

Bridge

No man can live without blood running through his  
veins  
And It's hard to remember the sun when all I feel is rain  
I don't know how much longer that I can wait; it's a thin  
line, between love and hate

Chorus

Stolen-just like a moment  
Stolen-you never own it  
Stolen-baby girl you took away my heart

Stolen-just like a moment  
Stolen-you never own it  
Stolen-baby girl you took away my heart
