Whatever you done
Can't be that bad
I'm not here to blame
A heart that's been had

A river runs free
Under charity's sky
So take a sweet dream
In your woods tonight

Put your mind at rest
And your fears at bay
I'm the one you can run to
Any dark day

Somebody said -
A jealous heart's blind
The war he did rage
Was in his own mind

And I don't care what
The good people say
Cuz I know the side
That you hide away

Put you mind at rest
And your fears at bay
I'm the one you can run to
Any dark day

Put you mind at rest
And your fears at bay
I'm the one you can run to
Any dark day
