To watch her walk away was all that I could take  
I had to stop my feet from making a fool of me  
Now I make a point of staying far away  
From this kind of activity  
'Cause every time I try, I find I'm only losing heart  
And I start to wonder why

Everyone's in love, isn't that enough  
Love, stay away from me

So watch me walk away, call it a draw and say  
Goodbye Shangri-La, your beauty is lost on me  
I don't see the point of going through obsession  
Just for some intimacy  
'Cause I just wanna go sit back in an easy chair  
And watch the next guy try

Everyone's in love, isn't that enough  
Love, stay away from me  
Everyone's in love, isn't that enough (I don't get it)  
Love, stay away from me

Does anybody see the same thing I see  
Making history instead of making love  
And I haven't a hope if I'm gonna get the girl  
By giving up the world  
But I've done it over and over again  
I'm just gonna go kick back in an easy chair  
And watch and wonder why

Everyone's in love, isn't that enough  
Love, stay away from me  
Everyone's in love, isn't that enough (I don't get  
enough)  
Love, stay away from me
