Save me from the dark of night
I'm drifting like a satellite
Miles from understanding
Where this love will lead
Heaven, let your light fall down on me

Now I'm over-thinking
Love can't be this hard
We seem to be spinning
Worlds apart

Sometimes truth is hard to touch
We give too little, expect too much
Promises forever hiding in our eyes
Worlds of chances passing by

Now I'm over-thinking
Love can't be this hard
We seem to be drifting
Worlds apart

You could wait forever
Lord, I can't do that
Spend a lifetime looking back

Now I'm over-thinking
Love can't be this hard
We seem to be spinning
Worlds apart

You could wait forever
Lord I can't do that
You spend a lifetime looking back

Now I'm over-thinking
Love can't be this hard
We seem to be spinning
Worlds apart
