I know it's crazy  
But I don't care at all  
Who's knockin' on my door  
Or who's tryin' to call  
Sometimes I talk too much  
When I've got nothing to say  
It's just my nature

You make it easy for me to be who I am  
You make it so easy for me to be who I am  
Where you are is where I wanna be

I'm not a gambler  
But there's one thing I'd bet  
This life would be a joke  
If we never met  
And right now I'd feel like the luckiest man in the world  
If you were near me  
You make it easy for me to be who I am  
You make it so easy for me to be who I am  
Where you are is where I wanna be

If there's a time you ever feel lonely  
You know I'll drop everything, to be with you only  
For you know, it's only fair

Sometimes I don't speak up  
When what I need to say is that I love you

You make it easy for me to be who I am  
You make it so easy for me to be who I am  
Where you are is where I wanna be

Where you are is where I am
