I feel chained, chained down
You shove me to the ground
I can't run, I can't shout
Just let me out
You're so heartless. This couldn't be meaningless
But I'll push it in your face
I'm only human
And I've got something to say

Chorus
Let me rise
Let me fall
Let me breathe
I wanna lose control
I'm not afraid to lose it all
Let me break
Let me crawl
Cuz I'll get back up again if you let me fall

If I burn down in this fire well I got myself to blame
I can't stop or give it up I need to feel the pain
Can you hear me?
Don't come near me
You'll just get in my way
I'm only human and there's nothin' you can say

Chorus
Let me rise
Let me fall
Let me breathe
I wanna lose control
I'm not afraid to lose it all
Let me break
Let me crawl
Cuz I will get back up again if you let me fall

Lahahaha
I said you know I'm up when I'm down
Lahahaha
And you'll understand if I feel right
And live my own life

Let me rise
Let me fall
Let me breathe
I wanna lose control
I'm not afraid to lose it all
Let me break
Let me crawl
Cuz I will get back up again if you let me fall

yeah yeah yeah yeah yeah
