One star remains in the false darkness,

Have you met my man on love?

One truth survives death's silent starkness.

Have you met my man on love?

No sorrow is like yours my friend,

Though silence is your tomb.

I'd take your every agony to

Save you from this doom.

But one star remains in the false darkness,

Have you met my man on love?

One truth survives death's silent starkness,

Have you met my man on love?

In your eyes is an echo of

What once was passion, my friend.

If I cried out loud, could you hear these words,

Resurrection waits within .

'Cuz one star remains in the false darkness,

Have you met my man on love?

One truth survives death's silent starkness,

Have you met my man on love?

Most high, most high, my man on love.

Most high, most high, my man on love.
