Looking out on the morning rain  
I used to feel uninspired  
And when I knew I have to face another day  
Lord, it made me feel so tired

Before the day I met you  
Life was so unkind  
But your love was the key  
To my peace of mind

'Cause you make me feel  
You make me feel  
You make me feel  
Like a natural woman

For when my soul was in the lost-and-found  
You came along to claim it  
I didn't know just what was wrong with me  
Just what was wrong till your kiss helped me name it

Now I'm no longer doubtful  
Of what I'm living for  
'Cause if I make you happy  
I don't need to do more

And you make me feel  
You make me feel  
You make me feel  
Like a natural woman

Oh, baby what you've done to me  
You make me feel so good inside  
And I just wanna be  
Close to you, you make me feel so alive

And you make me feel  
You make me feel  
You make me feel  
Like a natural woman

You know you  
You make me feel

You know you make me feel  
Yeah, like a natural woman

You know you make me feel  
You make me  
Yeah, you make me feel  
You know you make me feel

I said you make me  
You make me, you make me  
You know you, you know you  
Make me feel like a natural woman  
A natural woman
