"An Uncommon Love"

Why do we isolate each other?
All the walls we build between us
Make it so hard to be together

How can we tear at one another
When the thing we have in common
Is an uncommon love?

Walls can fall, tears can mend
So why can't we reach across the line
And touch each other?

Here on two sides of the truth
We've a middle ground in common
We have an uncommon love

Time can heal, hearts can mend
So why can't we reach across the line
And touch each other?

When will we ever learn
That the thing we have in common
Is an uncommon love?

We have an uncommon love
An uncommon love
