You've got to get up every morning
With a smile on your face
And show the world
All the love in your heart

Then people gonna treat you better
You're gonna find, yes you will
That you're beautiful as you feel

Waiting at the station with a workday wind blowing
I've got nothing to do but watch the passers-by
Mirrored in their faces I see frustration growing
And they don't see it showing, why do I?

You've got to get up every morning
With a smile on your face
And show the world
All the love in your heart

Then people gonna treat you better

You're gonna find, yes you will
That you're beautiful as you feel

I have often asked my self the reason for the sadness
In a world where tears are just a lullaby
If there's any answer, maybe love can end the
madness
Maybe not, oh, but we can only try

You've got to get up every morning
With a smile on your face
And show the world
All the love in your heart

Then people gonna treat you better
You're gonna find, yes you will
That you're beautiful, you're beautiful
You're beautiful as you feel
