So far away

Doesn't anybody stay in one place any more?

It would be so fine to see your face at my door

Doesn't help to know you're just time away

Long ago I reached for you and there you stood

Holding you again could only do me good

Oh, how I wish I could

But you're so far away

One more song about move along the highway

Can't say much of anything that's new

If I could only work this life out my way

I'd rather spend it being close to you

But you're so far away

Doesn't anybody stay in one place any more?

It would be so fine to see your face at my door

Doesn't help to know you're just time away

Traveling around sure gets me down and lonely

Nothing else to do but close my mind

I sure hope the road don't come to own me

There's so many dreams I've yet to find

But you're so far away

Doesn't anybody stay in one place any more?

It would be so fine to see your face at my door

Doesn't help to know you're just time away
