Sometimes I wonder
If I'm ever gonna make it home again
It's so far and out of sight

I really need someone to talk to
And nobody else
Knows how to comfort me tonight

Snow is cold, rain is wet
Chills my soul right to the marrow

I won't be happy till I see you alone again

Till I'm home again and feeling right

Snow is cold, rain is wet
Chills my soul right to the marrow

I won't be happy till I see you alone again
Till I'm home again and feeling right

Till I'm home again and feeling right
I wanna be home again and feeling right
