I don't know if it's hot in Texas
And I don't know if it's cold in Hell
I don't know if God is watching
I just know that I love you

People say, bad man's gonna getcha
Trade my shoes for a simple soul
Throw away your burnt sienna
'Cause I just know that I love you

Sticks and stones get gone in a hurry
Jack say, Jill, you never looked so fine
Dancing on Boardwalk, what me worry?
As long as I know you're mine, all mine, all mine, all
mine, you're mine

I don't know, I don't know
I don't know, I don't know

And if everybody had someone to care about
What a world
What a wonderful
Wonderful, wonderful world this would be, yeah, yeah,
yeah

I don't care who's in the World Series
Or who does what in their own bedroom
News is blues and it doesn't really matter
I just know that, I just know that I love you, watch it

I don't know, I don't know
I don't know, I don't know
I don't know, I don't know
(Don't know, don't know, don't know, don't know)
I don't know, I don't know
I just know that I love you
