It's going to take some time this time  
To get myself in shape  
And I really fell out of line this time  
I really missed the gate

The birds on the telephone line  
(Next time)  
Are cryin' out to me  
(Next time)  
And I won't be so blind next time  
And I'll find some harmony

But it's going to take some time this time  
And I can't make demands  
But, like the young trees in the winter time  
I'll learn how to bend

After all the tears we've spent, how could we make  
amends?  
So, it's one more round for experience  
And I'm on the road again  
And it's going to take some time, this time

It's going to take some time this time  
No matter what I've planned  
And, like the young trees in the winter time  
I'll learn how to bend

After all the tears we've spent, how could we make  
amends?  
So, it's one more round for experience  
And I'm on the road again  
And it's going to take some time, this time
