LIFE WITHOUT LOVE

by Gerry Goffin/Louise Goffin/Warren Pash

it ain't no contest

And it sure ain't no conquest

It's giving and sharing

And a whole lot of caring

It's a look in his eye

That needs no explanation

And I feel sorrow for the ones who

haven't had this sensation

Life without love

ain't no life at all

Just take that road

Adn you're bound to fall

Life without love

Is one dead end street

Just thank you lucky stars

We happened to meet

Now to sum up all the pages

They've written about it

You're better off with it

Than you are without it
This moment is our chance
And I hope we don't lose it
We might live to regret it
If we should refuse it
Life without love
ain't no life at all
Just take that road
Adn you're bound to fall
Life without love
Is one dead end street
Just thank you lucky stars
We happened to meet
Sure you can make it alone
And live in a world of your own
But it hurts to keep feelings inside
I know because we both tried
And life without love
Ain't no life at all
Just take that road
And you're bound to fall
Life without love
Is so bittersweet
Just thank you lucky stars
We happened to meet
