I love you  
And it's Christmas  
And I don't know  
What to do  
'Cause there's so much  
That you dream of  
That I can't give to you  
It makes sad  
To think of you  
Going without this year  
While others  
All around you  
Celebrate  
With Christmas cheer

There is so much  
That you wish for  
That I wish  
That I could buy  
If only  
I could be the one  
To fill  
Your stocking high  
I want to give you  
Everything  
But all that I can do  
Is give you love  
For Christmas  
To last  
The whole year through

Maybe next year  
With a miracle  
I can give you more  
But no matter what  
I'll be with you  
Of that you can be sure

I'm so grateful  
For the small things  
Every Christmas card  
I read

In the morning  
When I see you smile  
You're all  
The gift I need  
I want to give you  
Everything  
But all that I can do  
Is give you love  
For Christmas  
I will give you love  
For Christmas  
I will give you love  
For Christmas  
That will last  
The whole year through
