Looking out my window  
Peace in the valley just don't come  
Though I know that man's my brother  
And that I'm the selfish one

The hour is getting later  
It's time we had begun  
Knowing something's one thing  
But the race must still be run

Take care of little jealousies  
And talk that kills for fun  
And hold your heart in readiness  
It's so easy to come undone

But I think I saw a brand new light  
Coming over the horizon  
Brighter than any other  
And it says all men are brothers under the skin  
Brothers under the skin

Looking out my window  
Peace in the valley just don't come  
Though I know that she's my sister  
And that I'm the selfish one

And I look at all the people  
And I love the ones I can  
And I wonder if the dream will be  
Or be turned into sand

Still I think I saw a brand new light  
Coming over the horizon  
Brighter than any other  
And it says all men are brothers, all women are sisters,  
we're all related  
Under the skin  
Together under the skin

Peace in the valley just don't come  
Peace in the valley just don't come  
Peace in the valley

Peace in the valley's got to come  
It just might come if we believe it'll come  
If we're together  
'Cause we're together  
Under the skin  
Peace in the valley  
Peace in the valley just might come  
Peace in the valley's got to come
