Sacred heart, sacred heart of stone
Even the sword of love cannot penetrate you
Oh, sacred heart, sacred heart of stone
I used to love you, now I think I hate you

When I was younger I believed your lies
Your shield and armor that would not compromise
You won your war with a ghostly kiss
Whoever thought it would come to this
Sacred heart, sacred heart of stone

Sacred heart, sacred heart of stone
Oh, sacred heart, sacred heart of stone
Maybe if I saw you shed a tear
Sacred heart of stone
The feeling of love might reappear

You're all alone now
You've got nothing to fear
It'll be your own doin'
To survive in the ruin

I think it's time for me to turn away
You invented the world we're living in today
When you inherit the earth and all it's gold
It's not my hand, you will get to hold
Sacred heart, sacred heart of stone

Sacred heart, sacred heart of stone
Even the sword of love cannot penetrate you
Oh, sacred heart, sacred heart of stone
I used to love you, now I think I hate you
Sacred heart of stone, sacred heart of stone

Sacred heart, sacred heart of stone
Sacred heart, sacred heart of stone
Sacred heart of stone

Sacred heart, sacred heart of stone
Sacred heart, sacred heart of stone
Oh, sacred heart, sacred heart of stone
Sacred heart, sacred heart of stone
