Loving you the way I do  
I know we're gonna make it through  
And I would go to the ends of the earth  
'Cause darlin', to me that's what you're worth

Where you lead, I will follow  
Anywhere that you tell me to  
If you need, you need me to be with you  
I will follow where you lead

If you're out on the road  
Feeling lonely and so cold  
All you have to do is call my name  
And I'll be there on the next train

Where you lead, I will follow  
Anywhere that you tell me to  
If you need, you need me to be with you  
I will follow where you lead

I always wanted a real home  
With flowers on the window sill  
But if you wanna live in New York City  
Honey, you know I will, yes, I will, yes, I will

You never know how it's all gonna turn out  
But that's okay  
Just as long as we're together  
We can find a way

And where you lead, I will follow  
Anywhere that you tell me to  
If you need, you need me to be with you  
I will follow

Where you lead, I will follow  
Any, anywhere that you tell me to  
If you need, you need me to be with you  
I will follow where you lead, oh baby

I'm gonna follow where you lead  
I'm gonna follow where you lead

I'm gonna follow where you lead  
I'm gonna follow where you lead  
I'm gonna follow where you lead  
I'm gonna follow where you lead

I'm gonna, I'm gonna, I'm gonna, I'm gonna follow  
Where you, where you, where you lead  
I'm gonna follow where you, where you lead  
I'm gonna follow where you lead
