Looking out on the morning rain

I used to feel uninspired

And when I knew I had to face another day

Lord, it made me feel so tired

Before the day I met you, life was so unkind

But your love was the key to peace my mind

Cause you make me feel, you make me feel, you make
me feel like

A natural woman

When my soul was in the lost-and-found

You came along to claim it

I didn't know just what was wrong with me

Till your kiss helped me name it

Now I'm no longer doubtful of what I'm living for

Cause if I make you happy I don't need no more

Cause you make me feel, you make me feel, you make
me feel like

A natural woman

Oh, baby, what you've done to me

You make me feel so good inside

And I just want to be close to you

You make me fell so alive

Cause you make me feel, you make me feel, you make
me feel like

A natural woman
