## BLUE TEARS

Yesterday you come home  
And you talk me, you don't love me anymore  
It's not the first time  
It has happened to me many times before  
Baby can't you see  
I don't know what to or what to be  
I am so lonely  
And it hurts me oh and it hurts me  
To know, you don't love me anymore  
Oh and it hurts me  
To feel, you don't love me anymore.....  
Anymore.....  
Wow my life, falls completely into  
emptiness, loneliness  
The sun is shining but the only thing i feel inside is  
rain,  
Eying rivers  
And it hurts me oh and it hurts me

To know, you don't love me anymore  
Oh and it hurts me  
To feel, you don't love me anymore.....  
Anymore.....  
You don't love me anymore.....  
Bridge: it's my song of love  
My song of fear  
Of emptiness  
Of no one near  
My song 'bout you  
A song bout me  
My song of love  
Again i've lost  
You are my love and it hurts me it hurts me  
That you leave me all alone  
I'm so lonely now  
My song of love  
My song of lost  
I need your love.....
