I lost faith in love conquer all
Its an illusion
How could I think that I could break down the walls
That you've build to protect your sensitive heart
But I know that's not true, there's nothing I can do
You have to do this on your own
I can only sit and wait
Hoping that it's not too late for us
Please open your heart
Cold, cold, cold so cold
Your heart is cold, is frozen
Cold, cold, cold so cold
Your heart is frozen, locked between walls
You've been hurt too many times
And you don't want to feel that pain inside
Everyday you maintain your defense
Expecting the enemy to attack your vulnerability
But you shut me out too,
There's nothing I can do
You have to do this on your own
I can only sit and pray

Hoping that's it's not too late for us
Please open your heart
Cold, cold, cold so cold
Your heart is cold, is frozen
Cold, cold, cold so cold
Your heart is frozen, locked between walls.
Hard as stone, high as mountains, reinforced concrete
Every time I try to reach you
Loves makes me bleed
How can you tell me that you love me
That your love is true
So cold, so cold
So cold, so cold
Cold, cold, cold so cold
Your heart is cold, is frozen
Cold, cold, cold so cold
Your heart is frozen, locked between walls.
Cold cold cold so cold
Your heart is frozen, locked between walls
Stuck between walls.

You've locked yourself up between walls
And Im so cold
Its so cold
