"Love Me"

Deep inside I can feel, our love is real,
Deeper then deep.
You've touched my son, you,
You made me hold just with a kiss.
I've been hurt before, now I have to close the door,
To all my pain.
For a brand new starting, to, open up my heart,
Let love flow.

Baby, hold me, touch me, love me if u can.
Hold me and feel me, let me smile again.

I have to learn again, how to trust a man,
And how to love.
Don't turn your back on me in times, when it's hard
for me,

Just let it be.

And hold me, touch me, love me if u can
Hold me and feel me, make me smile again.

Since the day I met u,
I think of nothing else.
Gif me your love, deeper then deep.
Deep inside my soul,
You can make me hold,
Give me love, love

Nanananananananananana...

Baby hold me, touch me, love me if u can,
Hold me and feel me, make me smile again
