Once you and I
Where as innocent as kids
Love could easy grow
To the corners of our hearts
Unaware of danger
We started to grow up
When we discovered borders
I crossed the line
And now I'm sorry from the bottom of my heart
I feel so sorry from the way we had to part
How could I let you go, How could I
And now I'm sorry from the bottom.....
Of my heart
You don't know what you've got till it's gone
And all the damage is done
We were to in-experienced
To find our way out
To little understanding
For each others point of view
If i knew then what i know now
There's no reason to shout
Heeey

That i'm sorry from the bottom of my heart
I feel so sorry from the way we had to part
How could I let you go, How could I
Oh I'm so sorry
Heeey
Now I am
And i am all alone
I've found myself and now i'm searching for a home

No i'm the woman, i wanted to be
More independant
But is this woman really me
Nothing left but memories
From our lost paradise
If i'll ever find it again
I would been twice
Then i would marrie you
And have ten kids
I would surrender

Just to be with you
Heeeeeeeeeeeee
So now I'm sorry from the bottom of my heart
I feel so sorry from the way we had to part
How could I let you go, How could I
Now I'm so sorry
Heeeeeeeeeeeee
Well I'm so sorry
Well I'm so sorry
How could I let you go, How could I
Well I'm so sorry
Well I'm so sorry
Baby baby, baby baby baby
Well I'm so sorry
Baby baby, baby baby baby
Well I'm so sorry
Baby baby, baby baby baby
Well I'm so sorry
Baby baby, baby baby baby
Well I'm so sorry
Baby baby, baby baby baby
Well I'm so sorry
Baby baby, baby baby baby
