(Verse One)

Most powerful Jesus, You're the lover of my soul
Giver of Life, my only hope that's what You are
Always beside me, pick me up when I am low
Forever guide me, be my love forever more

(Chorus)

I praise You (now)
I lift my (hands to You)
Beautiful Savior (Savior)
It's a wonder what You do (wonder what You, wonder
what You do)
Keeping me safely (safely)
Under Your wings of love and care
Beautiful Savior
I know You'll always be there

(Verse Two)

Melody in song, my lips shall sing of who You are
All true and wise God, that's who You've been right
from the start
Whisper Your name (whisper) and power comes right
from Your throne
My will is to bless, bless Your name forever more

(Repeat Chorus 2x)
