Falling, falling
I know she hurt you
And I wanna have you through
Let me be you're shoulder, baby
The one you run into

We've come together
And I've shared so many things
We've ended up alone and now
What I wanna say

Falling
I just dreamed but you, it's all I do
I'm falling, yeah, into a river of desire

Falling
Love is so much more, so much more
I'm falling, yeah
'Cause all I wanna do is love you

(Touch me, baby)
My mind is spinning
And I don't wanna scare you off
This feelings grown and I know, baby
What I wanna do

When I'm beside you
I wanna left you tears away
(Oh, yeah)
Just move a little closer to you
And chase you feels away

Falling
I just dreamed but you, it's all I do
I'm falling, yeah, into a river of desire

Falling
Love is so much more, so much more
I'm falling, yeah
'Cause all I wanna do is love you

I don't know but everyday

I keep on hoping that you feel it too

Falling

I just dreamed but you, it's all I do
I'm falling, yeah, into a river of desire

Falling

Love is so much more, so much more
I'm falling, yeah
'Cause all I wanna do is love you
