How insensitive
I must have seemed
When she told me that he loved me
How unmoved and cold
I must have seemed
When he told me so sincerely
Why he must have asked
Did I just turn and stare in icy silence
What was I to say
What can you say when a love affair is over

Now he's gone away
And I'm alone with the memory of his last look
Vague and drawn and sad
I see it still
All his heartbreak in that last look
Why he must have asked
Did I just stare in icy silence
What was I to do
What can one do when a love affair is over

Is over

Is over
