All the things that we've been through
You should understand me like I understand you
Now boy I know the difference between right and
wrong
I ain't gonna do nothing to break up our happy home
Oh don't get so excited when I come home a little late
at night
Cause we only act like children when we argue fuss
and fight

If you don't know me by now
You will never never never know me
If you don't know me by now
You will never never never know me

We've all got our own funny moods
I've got mine, man you've got yours too
Just trust in me like I trust in you
As long as we've been together it should be so easy to
do
Just get yourself together or we might as well say
goodbye
What good is a love affair when you can't see eye to
eye

If you don't know me by now
You will never never never know me
Ooh

If you don't know me by now
You will never never never know me

Hmm

If you don't know me by now
