I don't think of you
I took your picture down off up the wall
and I'm find without you boy
so don't you even try to call
here's a girl who really doesn't need to chase after the
boys
cause I've got room in my heart
for your choice

You won't see me falling
You won't hear me calling
and I can't remember your name

When I'm in my room
nothing is the same
now I'm here without you
and I can't pretend
when I'm in my room
mirror on the wall
underneath the make up
oooh
there's no one here at all
there's no one here at all

Now I got the time
to do the things I always want to do
planty to dance and have some fun
and party down with someone new
rush those movings that you hated
said they're made for girls like me
I'll be there with you know
it could be

You won't see me falling
You won't hear me calling
and I can't remember your name

When I'm in my room
nothing is the same
now I'm here without you
and I can't pretend

when I'm in my room
mirror on the wall
underneath the make up
ooh
there's no one here at all
there's no one here at all

When I'm in my room
nothing is the same
now I'm here without you
and I can't pretend
when I'm in my room
mirror on the wall
underneath the make up
ooh
when I'm in my room
ooh ohhh
nothing is the same
when I'm in my room
nothing is the same
