Is it love, that I feel
Is it love, if you know
Is it love, what you feel
Baby, is what I'm feeling love
Is it love, that I feel
I need to know
Tell me, what you feel for me
Is this love?
Can you show me the meaning of love

I never felt like this
this is new for me
my heart is exploding
will you stay with me, please
I wonder if you know,
what I feel for you, ohhh

Is it love, that I feel
Is it love, if you know
Is it love, what you feel
Baby, is what I'm feeling love
Is it love, that I feel
I need to know
Tell me, what you feel for me
Is this love
Can you show me the meaning of love

Is it love, that I feel
Is it love, if you know
Is it love, what you feel
