Is holding me tonight  
And it feels so right  
The man of my dreams is calling  
Out my name  
I feel no shame  
He's as perfect as he can be  
I close my eyes he's there for me  
I'm in love with the man of my dreams

He's at night my shining angel  
And the answer to my pray  
I found the one I've waiting for  
Baby that's so rare  
He's a hero with a courage  
To be gentle to be strong  
And in his eyes I see myself  
And right where I belong

The man of my dreams  
Is holding me tonight  
And it feels so right  
The man of my dreams is calling  
Out my name  
I feel no shame  
He's as perfect as he can be  
I close my eyes he's there for me  
I'm in love with the man of my dreams

I feel the magic  
I feel the power  
Running through my face  
It's the love of my life  
And that will never change

uhh yeah

The man of my dreams is calling  
The man of my dreams is calling

He's as perfect as he can be  
I close my eyes he's there for me

I'm in love with the man of my dreams

ohhh

I'm in love with the man of my dreams  
I'm in love with the man of my dreams

ohh ohh

I'm in love with the man of my dreams
