I can see it in your eyes
You need a friend tonight
'Cause someone broke your heart in two
You need a volunteer
To wipe away your tears
Someone who will rescue you

Your whole world is tumbling down
Can't get your feet on solid ground
You're looking for someone
Someone you know, you can count on

I'll rise to the occasion
Help me through the situation
I'll be your inspiration
Yeah, I'll rise to the occasion, oh

No memories to shake
No promises to break
Just tender love and honesty
I can offer you so much
And I feel it when we touch
Maybe this was meant to be
I'm gonna share a secret with you
My heart's been broken too
I'm looking for someone
Someone I know I can count on

So won't you rise to the occasion
Help me through the situation
You can be my inspiration
Take to heart this invitation
Ooh come on come on come on come on baby, ooh

Your whole world is tumbling down
Can't get your feet on solid ground
You're looking for someone
Someone you know, you can count on

So won't you rise to the occasion
We'll get through this situation

Be each other's inspiration
Yeah I'll rise to the occasion
I'll be your inspiration

Help me through the situation

Be each other's inspiration

I'll rise to the occasion

Come on everyone

Ooh
